

e-Jass User Guide for Participants

Welcome to e-Jass. This is your guide to get you started on e-Jass. If you have any questions as you go along ask your e-Jass mentor and they will help you out.

Logging in

Go to <https://online.jassschools.org.uk/>

...and then type in your username and password and click **Submit**.

Navigation Area

At the top of each page is the navigation area which can be used to navigate between different areas of your e-Jass.

We'll run through them in order now, why not click on them to see where they take you?

Overview / Homepage

The first page you'll see is the overview page where you can quickly see how much progress you have made with your award!

The ribbon on this page will fill up as you complete more of your award.

So This

Will Become This!

Overview / Homepage

Under this is the **Section Progress** area

Section	Section Progress	Activities Signed Off	Hours Completed
Adventure		3	58.0
Get Active Stay Active		3	58.0
My Interests		2	58.0
Me and My World		3	68.0

As you complete more hours of your sections, the lights will change from red to orange, and then to green. Green shows you have completed that section!

Evidence can be anything from pictures, videos, documents and so on. Click on **Upload Evidence**, and select the file you want to upload.

Other Sections

All four e-Jass sections work the same way, so follow these steps again to start working on your other sections!

Uploading Evidence

As well as evidence you need to complete the boxes below this, describing how the activity went and what you learnt from the activity.

I've now completed the activity...
