as seen on

SnapType

A simple way to complete any school worksheet on your iPad or Tablet.

Snap

Take a picture of any worksheet using the iPad camera, or import a worksheet from email, photo library or Google Drive.

Type

Tap anywhere on the screen to add text using the iPad keyboard.

Draw

Use a finger to draw lines on a worksheet.

Pinch

Zoom in for easier reading.

Share

Send completed worksheets to a teacher by email, print directly from the iPad, or upload to Google Drive.

Store

Conveniently store worksheets in the iPad. No more lost papers!
