1.	Finances Current balance is sitting at £7,916.15 as of 25/02/24.	- A cheque for £4,000 is due to come off of that balance for the math books. Leaving a total of £3916.15. - We would like to clarify exactly what our role is as PTA and what our funding is for. We are an organisation of parents and teachers who organise events and raise funds to support the development and wellbeing of pupils. These funds and events are there for ALL students to benefit from. Without the hard work of our PTA we, as a school, would not have the funds or means to hold discos, class trips and events year round for the children. We warmly invite all parents to participate in our PTA meetings, as your input and involvement are crucial to the success of our objectives. We encourage the participation of as many parents as possible to ensure a broad range of viewpoints and ideas are considered.
2.	Summer Fayre 24'	- We are hoping to hold the summer fayre a little earlier than originally planned due to other commitments. New proposed date is Sunday 26th May 2024. - We NEED volunteers for this to be a success. We ask that anyone who may be able to volunteer on the day of the fayre, attend our next PTA meeting so we can discuss and plan the event. The activities and success of the fayre depends wholly on how many volunteers we have.
3.	Events going forward	- Shorts & shades disco for all, Wednesday 19th June 2024. P1-P4 6:15pm-7:30pm P5-P7 7:45pm-9pm - Bingo evening will be Thursday 21st March. £3 per child or £5 per family. All welcome, p1-2 must be accompanied by an adult.

		6:15pm doors open for a 6:30pm start. Ends at 8pm.
	Other Ideas	We are keen to speak to the Scottish Geography Association with regards to some playground art. This organisation will come to the school to paint world maps on the tarmac of the playground. We believe this would not only add some vibrancy to the playground, but also provide our children with an engaging and educational play experience.
	Next meeting	Arranged for Tuesday 26 th March 2024.
